### SUMMARY

Content and marketing strategist with experience in writing, social media, and community growth across startups and early-stage brands. I love combining storytelling with marketing to help brands show up authentically — from SEO blogs and landing pages to campaigns and community building. I've worked across travel, mental health, and education, and I care about ideas that connect, brands built thoughtfully, and work that creates real impact.

### PROFESSIONAL EXPERIENCE

#### Communication & Narrative Operator, Morphic

Jan 2026 - June 2026

- Worked on marketing, brand communication, and narrative-building across digital platforms.
- Wrote copy for X, LinkedIn, Instagram, and email marketing campaigns.
- Managed influencer outreach and creator communication for collaborations and campaigns.

#### Content Creator & Brand Actor, YAAS Media

Jan 2026 - April 2026

- Acted in branded skits and short-form video content for social media campaigns.
- Contributed to page growth through engaging performance-led content, with multiple videos crossing 100K+ views.
- Assisted with content ideation, scripting, and audience-focused storytelling.

#### Marketing & Social Media Intern, Wavelength

Dec 2025 – Jan 2026

- Managed social media and marketing communication for the brand across platforms.
- Helped organize and execute a Christmas-themed community event and promotional campaign.
- Worked on content creation, audience engagement, and event coordination.

#### Content Writer, Headout

Jun 2025 - Sep 2025

- Optimized content for 10+ landing and shoulder pages, improving accuracy and readability.
- Applied SEO tools (Keywords Everywhere, Google Search Console) to refine keywords and track performance.
- Collaborated with product, marketing, and SEO teams on revamps; content was highlighted by supply partners for clarity and quality.

#### Freelance Projects (Remote) - content & marketing associate

Nov 2024- Present

- Executed Reddit growth marketing strategies and helped scale online communities for mental health startups.
- Produced long-form blogs, promotional copy, reel scripts, and campaign content for early-stage brands.
- Conducted podcast research, LinkedIn engagement and outreach, and supported content strategy across platforms.

#### Operations & Admin Support, Elfina Health

Nov 2024 - Apr 2025

- Streamlined onboarding for 20+ therapists and managed scheduling via Google Sheets.
- Coordinated backend operations, including appointment management and client calls.
- Assisted with founder-led LinkedIn content creation for brand positioning.

**Digital Storyteller & Apprenticeship, Nurturev**

**Sep 2024 - Nov 2024**

- Developed thought leadership content for founder's LinkedIn & Twitter presence.
- Supported B2B sales pipeline: lead generation, outreach, and CRM management.

**Creative Generalist, Decoding Draupadi**

**May 2024 - Aug 2024**

- Grew Instagram following by 50% in 1 month through daily content and engagement.
- Organized a women's-only open mic event; assisted in podcast editing & production.

**Content & Design Intern, Re:Set | Workplace Well-Being Experts**

**Apr 2024 - Jun 2024**

- Designed 30+ social media and blog graphics focused on mental health awareness.
- Wrote 5+ long-form blogs and developed decks for mental health presentations.

**EDUCATION**

**Bachelor of Arts in Psychology & Journalism**

**2022 - 2025**

Mount Carmel College, Autonomous - Bangalore
